Re: Landowners: Peter T. Niemans and Troy Niemans Appeal Hearing Scheduled for Tuesday, December 12th at 3pm.

We are Paul and Serena Crown and reside at [REDACTED], which is located to the North West of Titan Water Systems, Inc. owned by Troy Niemans. Our email address is [REDACTED]. Our contact number is [REDACTED].

We are new homeowners in Foothills County, and have been extremely satisfied with Mr. Niemans and Titan Water Systems in helping us to upgrade and make improvements to our acreage's water system. We are confident that our community will be able to contact Mr. Niemans for years to come with any questions, concerns and guidance to protect our precious water resource and its usage, knowing that it is the key to a successful ecosystem, and an essential part of our home and acreage. We are firm believers that small business makes a community stronger, and with the fantastic workmanship and professionalism we were provided, we fully support the continued operations and expansion of this business within our community.

Unfortunately, we are not able to attend the hearing directly. Please accept this email in support of Titan Water Systems' application for development.

You may contact us if you would like to discuss this matter further.

Yours sincerely,
Paul and Serena Crown
