Development Permit Application: 23D176  
Appellant: Hao Zhang

We understand that our neighbor Hao Zhang has applied for a business license for a Dog Grooming facility.

We also understand that some of our other neighbors believe this specific license could be used to run a kennel and are therefore against the application. We are assuming that this is wrong; a specific business license could not be used for a different purpose.  
We fully support Hao in her applications for a Dog Grooming facility and wish her well in this business venture.

Yours sincerely,  
Ed and Susan Harman
