

<b>DEPARTMENT: Legislative Services</b>	
	<b>TOPIC: Leighton Art Centre - Request for Snow Removal on Routes to Art Centre</b>
<b>REPORT PREPARED BY:</b> Legislative Assistant Garity Stanley <b>REPORT PRESENTED BY:</b> CAO Ryan Payne	
<b>PURPOSE OF REQUEST</b>	

To consider prioritizing snow clearing along routes leading to the Leighton Art Centre.

#### BACKGROUND

Administration received a request from the Leighton Art Centre on October 4, 2024 requesting that Foothills County prioritize snow removal along routes that the public would take to get to the Leighton Art Centre. These routes would include:

- 266 Ave (1.60 km)
- 128 St W (1.80 km)
- 282 Ave W (1.20 km)
- 144 St W (0.14 km)

This request does not include clearing of snow over their internal road as snow removal for that area is contracted out.

See attached request.

#### REQUEST OF COUNCIL

*Proposed Motion:*

That Council acknowledge the Leighton Art Centre's request to prioritize snow removal along 266 Ave, 128 St W, 282 Ave W and 144 St W.

Council may wish to direct administration to add the subject roads as priority routes under the County's snow removal policy.
