

<b>DEPARTMENT:</b> Legislative Services	
	<b>TOPIC:</b> Highway 2A – Safety Concerns and Planning
<b>REPORT PRESENTED BY:</b> Councillor Rob Siewert	

#### PURPOSE OF REQUEST

This item would be to discuss next steps to address safety concerns and planning on Highway 2A between 498 Ave and Aldersyde.

The Minister of Finance has once again declined to meet with Foothills County and hear its case, which is holding up the road swap and the needed improvements.

With no solution in sight, we need to look at alternative options to address the safety and long-term planning for this road.

Possible options include requesting the Province to reduce the speed limit to 80 km/h and install traffic lights or a roundabout at 466 Ave and at 418 Ave.

#### REQUEST OF COUNCIL

*Proposed Motion:*

That Council acknowledge the discussion surrounding safety and planning on Highway 2A between 498 Ave. and Aldersyde and direct administration to \_\_\_\_\_.
