## **Introduction**

The team at the Millarville Half Marathon appreciate the opportunity to submit our application for this year's run scheduled Saturday, June 20, 2026. The event returns with a new out-&-back course south of the race track avoiding Diamond Valley and the surrounding roads. We are raising funds for Rowan House Society.

## **Course**

We take 700 riders from the Millarville Race Track south on 192 ST and return.

## **Safety**

Controls are in place to ensure a safe and enjoyable run. Road closure at top and bottom of course patrolled by certified flaggers. Only local traffic will be permitted on to course.

"Race in Progress" signs will be placed at every intersection. Pilot and sweep vehicles, flagmen and mobile medical support are spread through the course.
