**ATTACHMENTS:** N/A

### PURPOSE:

That Council Authorize Administration to award the 2026 Micro Surfacing Program to West-Can Seal Coating Inc.

### BACKGROUND:

The 2026 Micro Surfacing Program has been tendered to ensure the continued maintenance of county roads into the 2026-2027 season.

Administration tendered the program, producing the tender documents, and evaluating the results. The Tender closed on April 23<sup>rd</sup>, 2026, with one (1) tender submitted:

#### Results of Tenders:

The lowest and only tender for the Micro Surfacing program was submitted by West-Can Seal Coating Inc. of Didsbury, Alberta.

CONTRACTOR	SUBMITTED TENDER PRICE	EMAIL AMENDMENT	TOTAL BID TENDERED
West-Can Seal Coating Inc.	\$249,046.00	N/A	\$249,046.00

### DISCUSSION:

The lowest and only tender for the Micro Surfacing program was submitted by West-Can Seal Coating Inc. of Didsbury, Alberta, and was in full compliance with all tender procedures as reviewed by Administration and outlined in the tender documents. All required supporting documents were included with the submission, including a 10% Bid Bond, 50% Performance Bond, and 50% Labour & Material Bond based on the tendered price.

### RECOMMENDATION:

That Council awards the Micro Surfacing Program to West-Can Seal Coating Inc.
